

DRAWINGS IN THE SKY

Star constellations are a group of stars that seem to make a pattern or picture. Make sure you complete these activities outside on a clear night when you can best view the stars!

1 Find a group of stars and draw them below. Then create a picture using that pattern. Finally, name your constellation. Below are some examples.

Constellation's name: _____

Many cultures, including Native Americans, used the constellations they observed to tell creation or other important stories, called fables. Using your constellation that you named above, write your own fable below:

Acorns cached on this activity: _____
